**Live at Lakeview Events Remains on Hold Until Summer of 2022**

**SOUTH LAKE TAHOE, Calif. – August 19, 2021** – In response to the recent spike of active COVID-19 cases, Live at Lakeview producers continue to place events on hold, choosing to value the health + well-being of the community over profit.

The September 2<sup>nd</sup> show that producers were hopeful would be possible, has officially been cancelled. Originally scheduled to begin on Thursday, August 5, 2021, the popular Live at Lakeview Summer Music Series will remain on hold until summer of 2022.

“Our community’s health remains our top priority, so we will not be producing any Live at Lakeview events this summer,” states Rob Giustina Owner of On Course Events. “We hope and pray we can come back next year even bigger and stronger than the past. We truly appreciate the continued support of this community + look forward to coming back strong in 2022.”

Following many conversations with local health officials and leaders in our community, On Course Events released the following statement on August 3<sup>rd</sup>, canceling the majority of the season’s events.

“Given the current spike of active COVID-19 cases in our hospital, in our town + in our community, I feel it is in the best interest of health + wellbeing of our community, staff, friends + family to cancel the scheduled events for the month of August. As the leader of this company + the founder of Live at Lakeview, nothing comes harder to me than having to announce another round of event cancelations. I miss our community so badly and nobody wants to produce this event more than me. My team has worked diligently + so tirelessly to help this event season come to fruition, today’s announcement is heavy on the heart. Thanks for your support, Tahoe!”

Stay tuned and connected with @LiveatLakeview on Facebook, Instagram and Twitter for updates on the 2022 season of this concert series.
